## ARTICLE 1 GENERAL

1.1 **Purpose**       The Burr Cemetery Association, Maine (“Association”) manages the Burr Cemetery (“Cemetery”) in Freeport Maine. (Also known as “Burr” Cemetery). The Burr Cemetery Association will maintain and administer this Cemetery as well as to manage the funds established for the benefit of the Cemetery. The Cemetery will work to preserve and protect the Cemetery as a peaceful and beautiful and historic area that serve as reverent symbols of the citizens’ respect for the deceased. To accomplish these goals, rules and regulations (“Rules and Regulations”) are used to influence the conduct of individuals while they visit the Cemetery. In formulating these Rules and Regulations, a balance of the interests of the various stakeholders (purchasers and owners of rights of interment or inurnment; family, friends, and acquaintances of the deceased buried therein; citizens and taxpayers; maintenance workers; and commercial service providers is taken into consideration. In particular, the Rules and Regulations are based upon a proper fit of the Cemetery, aesthetics of the park-like spaces, the cost of maintaining them, historical preservation, civic pride, and, most important of all, **safety of all who enter this Cemetery.** All persons visiting the Cemetery will be expected to abide by these Rules and Regulations.

1.1a **Green Purpose**       The Burr Cemetery manages and maintains a designated “Green Burial” area, for the sole purpose of “Green” disposition of human remains or cremains, and is intended to preserve the natural look of the Green Burial area. Furthermore, it is intended for the conservation of the land, and the preservation of the environment.

## **Burr Cemetery Association Rules and Regulations**

- 1.2 **Amendment** The Burr Cemetery Association hereby reserves the right to adopt additional rules and regulations or to amend, alter, or repeal any rule or regulation at any time they deem appropriate. The Trustees also reserve the right to waive or temporarily suspend or modify one or more of these Rules and Regulations in unique situations that may arise in which strict enforcement may result in undue and unfair hardship or other unintended consequence. Such waivers or temporary suspensions or modifications of Rules and Regulations are expected to be very rare, based upon good reasoning and rationale, and not necessarily binding precedent for later situations.
- 1.3 **Reserved Rights** The Cemetery reserves the right to enlarge, reduce, re-plot, or change the boundaries or grading of the Cemetery, or a section or sections thereof, from time to time, including the right to modify or change the location of, or remove or re-grade roads, drives, or walks, or any part thereof. The Cemetery also reserves the right to lay, maintain and operate, or alter or change, pipe lines or gutters for sprinkler systems and drainage purposes and to use Cemetery property, but not inconsistent with Rights of Interment already sold to Grantees, for Cemetery purposes, including interment and inurnment of the dead, or for anything necessary, incidental, or convenient thereto. The Cemetery reserves to itself and to those lawfully entitled thereto, a perpetual right of ingress and egress over burial sites for the purpose of passing to and from other burial sites.
- 1.4 **Access** The Cemetery shall be open to the public seven days per week from one-half hour after sunrise to one-half hour prior to sunset. No individual shall walk across lots or lawn unless it is necessary to gain access to a particular burial site. The Cemetery expressly disclaims responsibility for any property damage or injury sustained by any person violating this rule. Cemetery officials and their agents, maintenance workers, and funeral workers may enter the Cemetery outside of these hours if necessary for the timely completion of their tasks.
- 1.4a **Green Access** Access to the Green Burial area is restricted to foot traffic only.
- 1.5 **Vehicles** Motor vehicles must stop when meeting a funeral cortege and only resume movement when the procession passes. Maximum speed is five (5) miles per hour. No vehicle may be driven or parked across or upon any burial site or lawn. Parking or

- 1.5a **Green Access** No vehicles of any kind are allowed in the Green Burial area.
- 1.6 **Enforcement** Any violation of these Rules and Regulations will be treated as a trespass or nuisance, depending on the violation, and will be referred to the Cemetery Manager or Police Chief accordingly. Violation of the Rules and Regulations may also lead to prosecution for violation of federal or state laws. Improper conduct or violation of Rules and Regulations by anyone may result in a request to leave the Cemetery.
- 1.7 **Waste** Individuals who enter the Cemetery must carry out all waste that they create while in the Cemetery. Depositing of waste, rubbish, and debris on the grounds of the Cemetery, or neighboring/adjacent property, is prohibited.
- 1.8 **Functions** The only group functions that are allowed within the Cemetery are funerals, burials, memorial services, and educational tours. Other types of functions are not permitted unless permission is sought and granted by the Cemetery Manager.
- 1.9 **Corrections** The Cemetery reserves, shall have, the right to correct any errors that may be made by it or its agents in making interments, disinterments or removals, or in the description, transfer or conveyance of any Rights of Interment or interment property. Such corrections may include cancelling such conveyance and substituting and conveying in lieu thereof other Rights of Interment or other interment property of equal value and similar location as far as possible, or as may be selected by the Cemetery, or, in the sole discretion of the Cemetery, by refunding the amount of money paid to the Cemetery on account of said conveyance. In the event such error shall involve the interment of the remains of any person in such property, the Cemetery reserves the right to remove or transfer such remains so interred to such other property of equal value and similar location as may be substituted and conveyed in lieu thereof.
- 1.10 **Superintendent** The Superintendent(s) chosen by the Cemetery shall have charge of the grounds and property within the Cemetery assigned to them and shall have

Purchase of a Right in no way grants any other rights or privileges to the purchaser, and a Right is subject to these Rules and Regulations. No Right shall be used for any purpose other than the burial or the memorializing of the human dead, or the cremains of the human dead. The statement of any employee or agent of the Cemetery, unless confirmed in writing by an authorized representative of the Cemetery, shall in no way bind the Cemetery.

**2.6 Repurchase** The Cemetery has no obligation to repurchase Rights from Grantees. Each and every request to repurchase shall be considered by the Cemetery Clerk and will be decided on a case by case basis. Prior decisions to repurchase or not to repurchase Rights will not have any bearing or influence on any subsequent request to repurchase. If the Cemetery decides to repurchase Rights, it will pay the Grantee no more than the price originally paid by the Grantee for the Right, less the Perpetual Care Fund portion which will be retained in the Perpetual Care Fund.

**2.7 Transfer** Attempts by Grantees to transfer rights to other parties will not be recognized by the Cemetery unless consents of the Superintendent and the Cemetery Clerk are given, and the transfer is endorsed by the Cemetery Clerk on a Transfer of Right Form, such forms to be obtained from the Cemetery Superintendent or Cemetery Clerk. If Perpetual Care was not previously paid for the Right to be transferred, the Perpetual Care Fee at the current rate

The Cemetery Superintendent and Cemetery Clerk shall consider requests for such exchanges.
